- Cool pallet with quartz counter tops, soft close cabinets, and luxury vinyl flooring throughout
- Energy efficient construction and use of geothermal energy for sustainable low-cost year-round comfort
- Accessible bathroom with roll-in shower with grab bars, modern vanity/lighted medicine cabinet, and comfort height toilet

- Spacious primary bedroom accommodates a queen/king and has a large closet with extra floor to ceiling storage
- Second bedroom/office/craft room with large closet and extra storage
- Generous hall laundry for stackable w/d with shelving
- *Includes a like-new LG stackable washer/dryer, custom blinds throughout, and a queen bed with Beautyrest PressureSmart mattress*
- Covered 8 ft. deep front and back porches with ceiling fans extend the living space outdoors
- Safety features include fire protection (detectors, alarmed, sprinkled, and TFD monitored) and the bathroom is built for storm protection

Additional amenities include a common house with cooking kitchen, grand room for shared meals and activities, living room and two guest rooms, and an art studio, plus access to shared resources including a dog park, community garden, walking paths, fire pit, gardening equipment, workshop and shared tools.

The home includes membership in Heartwood Commons a lively, cohousing neighborhood of 36 homes for active adults in one of America's most desirable, livable cities. Tulsa, a progressive city, offers the charm and friendliness of a small town combined with the amenities of a vibrant urban center, all at an accessible cost.

HOA dues for the home and garage of \$547 cover water, sewer, trash, recycling, high-speed internet, a cable TV package, and the homeowner's share of operational expenses and reserves for long-term maintenance and replacement costs, leaving remaining monthly expenses of only electric, cell, condo property insurance, and property taxes.

A dedicated 27 ft. deep single garage is available for \$25,000.
